Using Backing Tracks - A Beginners Guide. Introduction. Back in the day, it used to be considered to be some sort of "cheating" for musicians to use pre-recorded backing tracks as part of their live performances. But in the modern world, the use of backing tracks is widespread and accepted as an essential part of today's live music ...

1. Why this guide? The primary reason for writing this document is that a lot of readers feel the existing HOWTO to be too short and incomplete, while the Bash Scripting guide is too much of a reference work. There is nothing in between these two extremes. I also wrote this guide on the general principal that not enough free basic courses are
