The first sound on Back in Black is the deep, ominous drone of church bells -- or "Hell's Bells," as it were, opening the album and AC/DC's next era with a fanfare while ringing a fond farewell to Bon Scott, their late lead singer who partied himself straight to hell. But this implies that Back in Black is some kind of tribute to Scott, which may be true on a superficial level -- black is a ...

You went back to what you knew  
So far removed from all that we went through  
And I tread a troubled track  
My odds are stacked I'll go back to black  
We only said goodbye with words I died a hundred times  
You go back to her And I go back to... I go back to us  
I love you much It's not enough  
You love blow and I love puff  
And life is like a pipe
