Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

This game puts a twist on the classic parlor game by using the premise of the game "Telephone." Assemble the players into a line. All of the players start off facing the opposite direction of the first player. As soon as the first player thinks of a charade, he taps the second player on the back, prompting her to turn around.
