### Kabaddi New Rules

Kabaddi is a contact team sport. Played between two teams of seven players, the objective of the game is for a single player on offence, referred to as a "raider", to run into the opposing team's half of a court, touch out as many of their defenders as possible, and return to their own half of the court, all without being tackled by the defenders, and in a single breath.

Rules of Fencing. Fencers must salute one another and the referee at the beginning and end of the bout, with failure to do so can result in the loss of a point (the winner) or even suspension (the loser). Points are scored by hitting your opponent in accordance with the specific requirements for the type of weapon being used (as detailed above).
