Early childhood programs keep children safe when their facilities, materials, and equipment are hazard-free and staff use safety practices, such as active supervision. Find resources to reduce childhood injuries.

### Safety Practices | ECLKC

Every classroom has its own schedule of activities. Regardless, the children move from activity to activity; from circle time to the interest areas to the playground and back inside to use the bathroom, wash hands, then eat at the snack table, and regroup again for story time or music, and on and on. Transitions can be stressful.

Do I need a licence to operate a forklift? The short answer is "yes" - it is necessary to hold a licence to operate a forklift. [Note: a licence is not required to operate a 'pedestrian forklift', that is, a forklift where the operator is walking and 'pushes' the forklift or, in the 2017 regulations, if the forklift is a 'low-lift pallet truck' or if its fork arms or other loadholding ...
