Pregnancy And Childbirth Secrets For

State pregnancy disability laws. Some states, including California, give employees the right to take time off while they are unable to work due to pregnancy and childbirth. State family and medical leave laws. Some states, including New Jersey, have their own FMLA-type laws, which give employees leave rights for pregnancy and parenting.

Taking FMLA Leave for Pregnancy and Childbirth - Disability Secrets

During pregnancy, your cervix is closed and plugged with mucus, to keep out infection. Your cervix is long and firm, giving a strong base to your womb. It's also in a position that points slightly towards your back (posterior position). Before labour can start properly, your cervix has to go through some changes.
