My First Thomas was a range of chunky plastic toys for young infants based on Thomas & Friends. They were produced by Golden Bear Toys for the UK since 1996 and were distributed by Tomy in the US and Japan. The vehicles used chunky, simplistic designs and the track system first consisted of coloured plastic pieces.

old) enjoy playing with My First Thomas & Friends™ Railway Pals™ Destination Discovery™ set. The biggest advantage of this set, over all other Thomas & Friends sets, is the fact that kids can easily rearrange tracks any way they would like without required help of parents. My boys and I definitely appreciate that.
