Story of the Three Little Pigs (1989) turned the favorite porkers' story upside-down by allowing the grossly misjudged wolf to tell his side of the story. Wiesner's latest is a post-modern fantasy for young readers that takes Scieszka's fragmentation a step further: it not only breaks apart and deliciously reinvents the ...

The primary purpose of descriptive writing is to describe a person, place or thing in such a way that a picture is formed in the reader's mind. Capturing an event through descriptive writing involves paying close attention to the details by using all of your five senses. Teaching students to write more descriptively will improve their writing by making it more

Read "The True Story of the Three Little Pigs" (by Jon Scieszka) with the children. This tells the "Three Little Pigs" story from the wolf's point of view. Ask the children to think of a story that they know well, and to write another version from another point of view. e.g. Write "Cinderella" from the point of view of one of the ugly sisters.
