How to Write About Your Own Life: 15 Steps (with Pictures)

A life story essay involves telling the story of your life in a short, nonfiction format. It can also be called an autobiographical essay. In this essay, you will tell a factual story about some element of your life, perhaps for a college application or for a school assignment.

How to Write a Life Story Essay (with Pictures) - wikiHow

Maybe your life was just a circus act from the beginning and is funny. If writing your life story touches you while you are writing it, think about all the people you can touch when they read it. About the author: Ruth O'Neil has been a freelance writer for more than 20 years, publishing hundreds of articles in dozens of publications.

Write the Story of Your Life | FreelanceWriting

Why it helps: First off, if you want to write a memoir, this three-sentence description will form the structure of your book. In effect, it's a supershort story of your life—a beginning, a middle and the now, if you will. Even if you have zero impulse to write another word, however, the exercise can show you how you view yourself, your past and your present, all of which can inform your future.
